### Round Accent Table Assembly Instructions

Lay out all parts on a "non-abrasive" surface to avoid scratching furniture.

NO.	DRAWING	DESCRIPTION	QTY
A		TOP	1
B		SHELF	1
C		POST	4
D		MINIFIX CAM	4
E		MINIFIX CONNECTING BOLT	4
F		M6*35MM BOLT	4
G		HEX WRENCH	1

---

**Step 1**

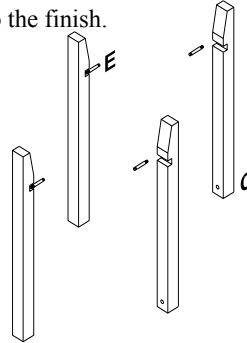

Read through these instructions thoroughly before beginning assembly. We have found this to be of great value when first assembling this product.

**Step 2**

Remove all parts and hardware from packing material. Wooden pieces should be placed on a non abrasive surface (like the carton or carpet) to prevent damage to the finish.

**Step 3**

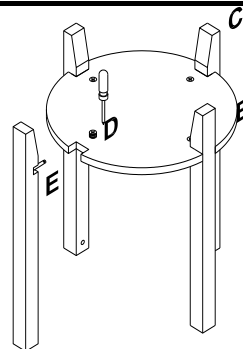

Attach Minifix Connecting Bolt (E) into the threaded insert in the bottom of each post (C). Use Phillips screwdriver to tighten firmly.

---

**Step 4**

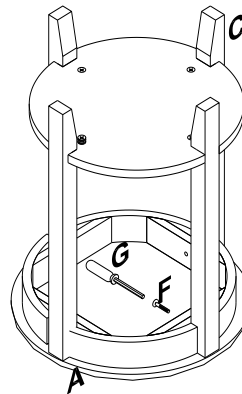

With the Shelf (B) holes facing the shorter end of the Post (C), attach Shelf (B) to Posts (C) by sliding the Minifix Connecting Bolt (E) that is attached to the posts(C) into the hole in the edge of the shelf (B) and inserting a Minifix Cam (D) into the hole in the bottom of the shelf and tighten with a Phillips screwdriver. This step requires assistance from a second person.

---

**Step 5**

With Top (A) upside down, line up Posts (C) with holes and attach with Hex Bolts M6\*35mm (F). Tighten using wrench (G). This step requires assistance from a second person.

---

**CARE**

Clean with mild soap and wipe dry.
